

# My future profession - teacher

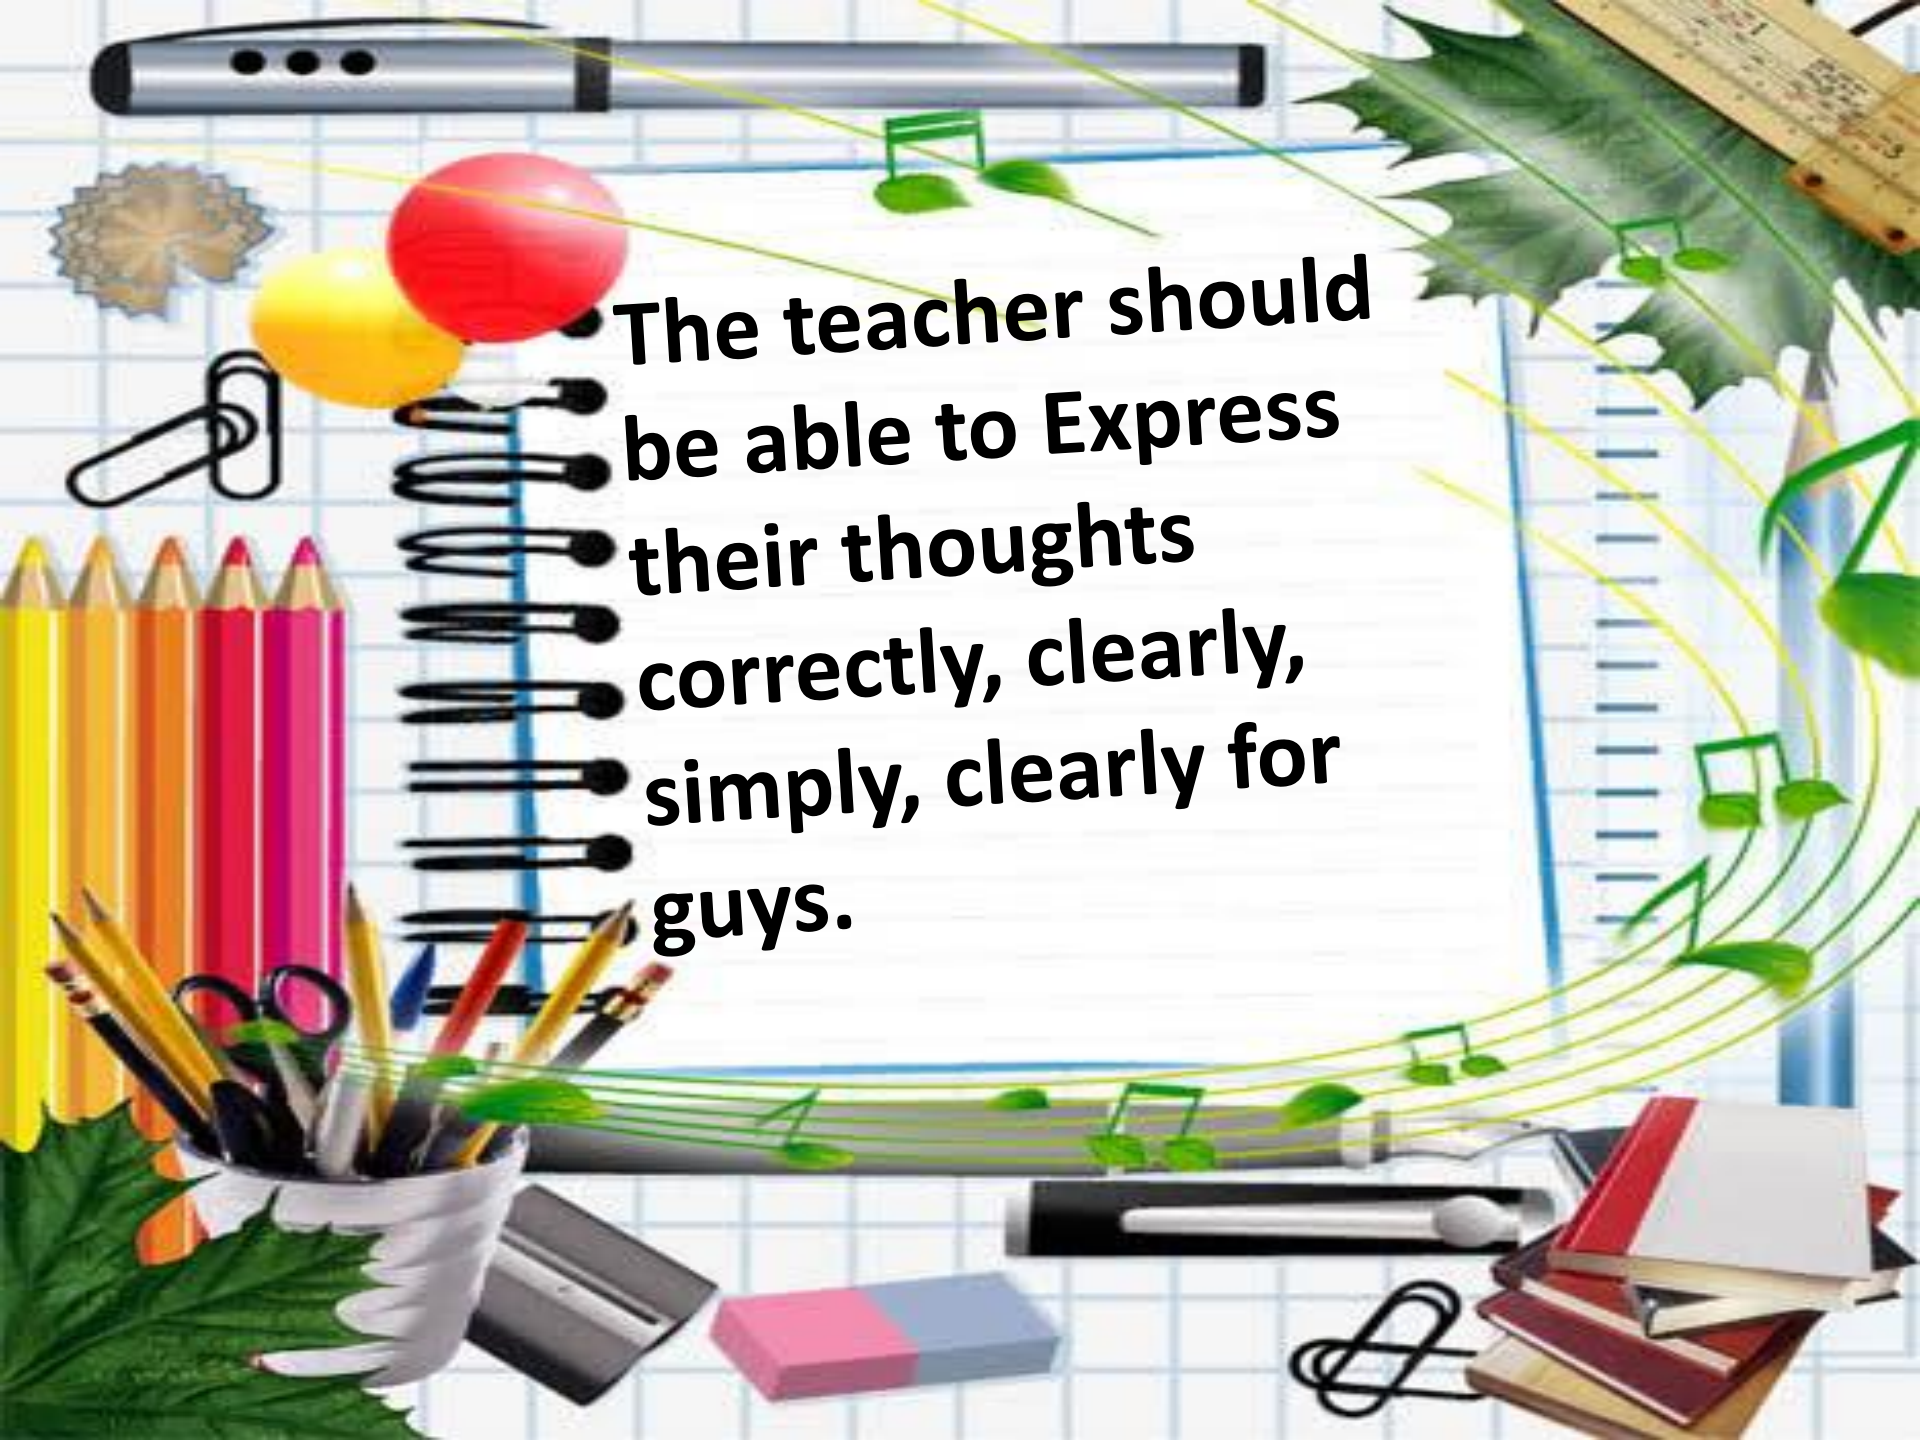

*Ерин Егор ученик 4 «Б» класса БСОШ  
им.В.И.Казакова*

**A lot of ground professions there are,  
All of them don't count: Steelworkers,  
combiners,  
Ballerina and miners, tractor drivers  
and doctors  
Astronauts, violinists.  
How to choose one for me,  
That much love.**

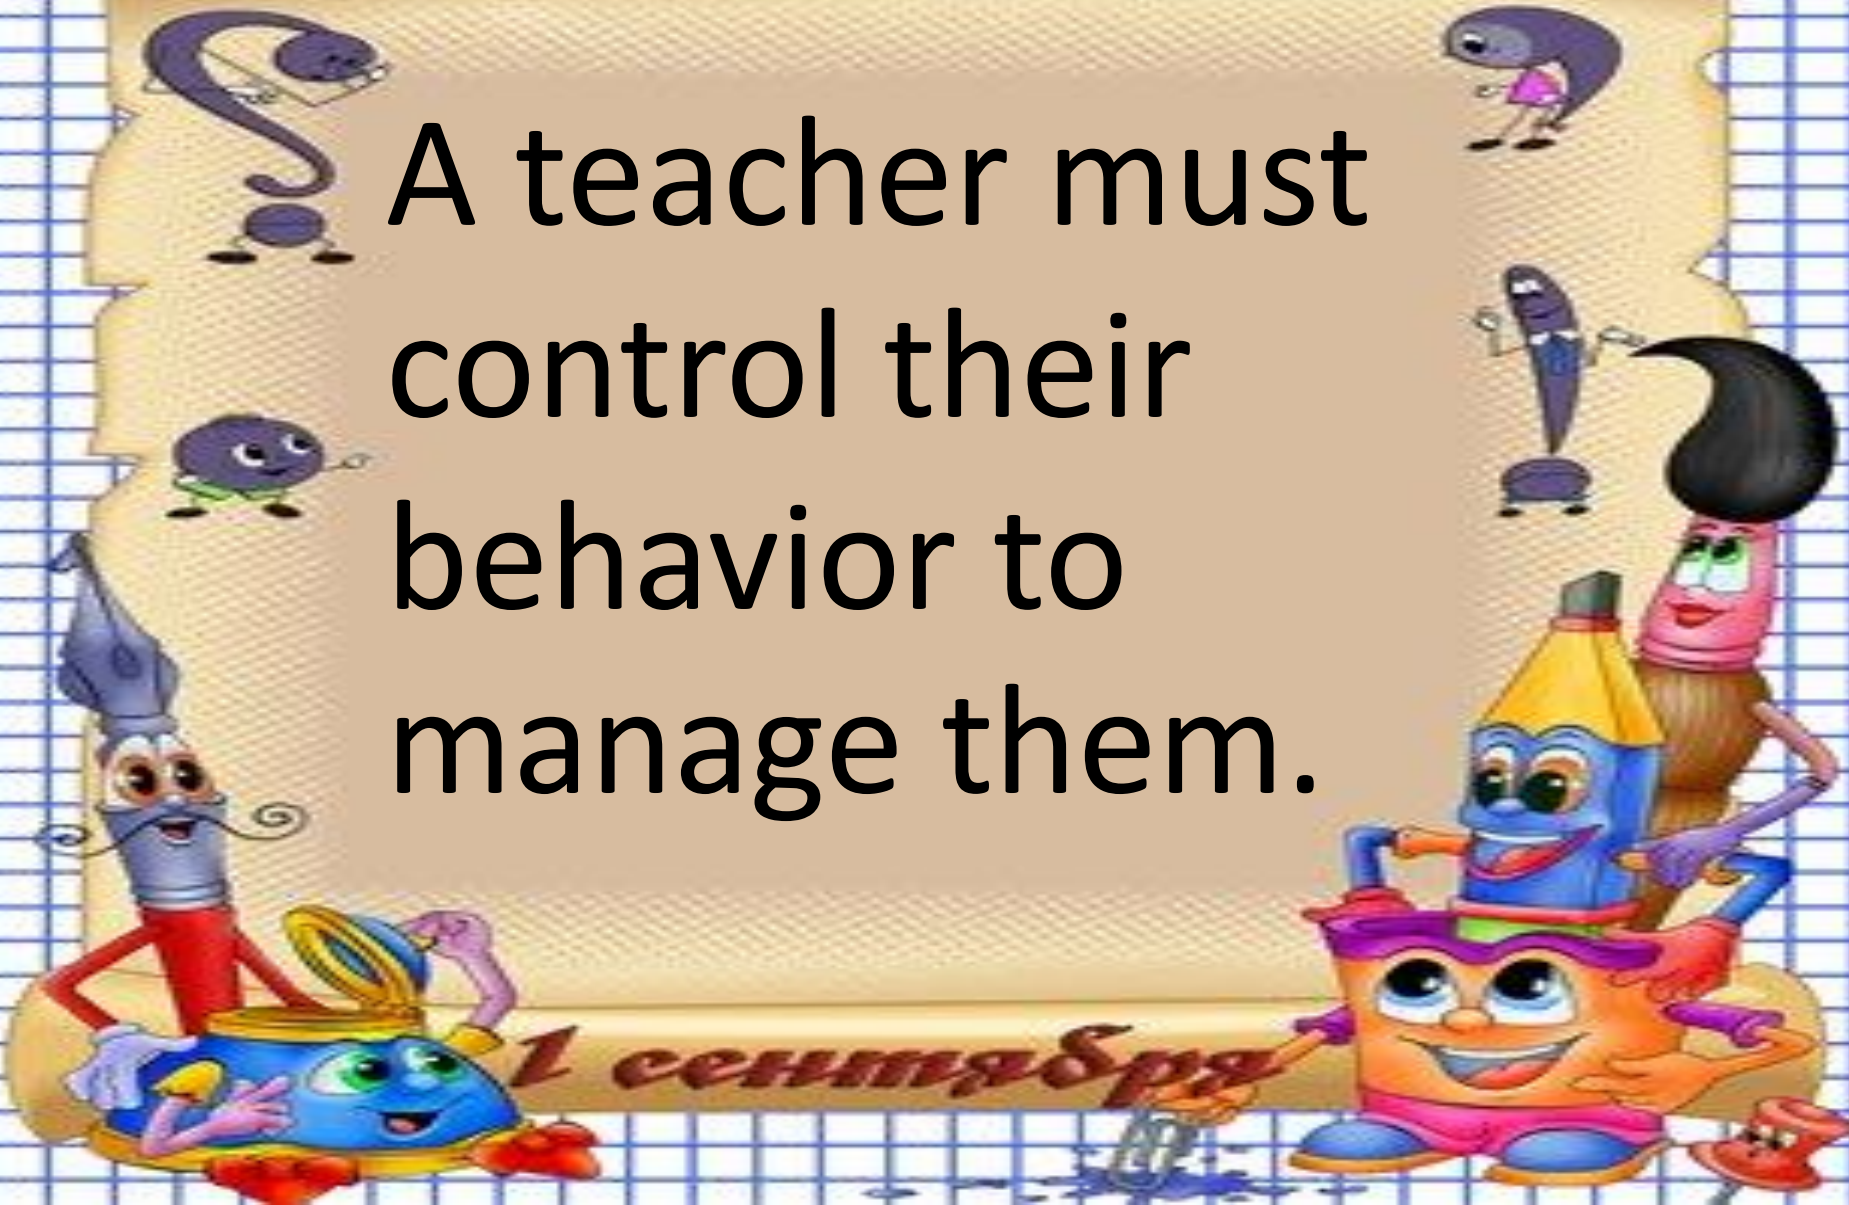

**The teacher should  
be able to Express  
their thoughts  
correctly, clearly,  
simply, clearly for  
guys.**

**The teacher is the eternal student. Purposeful, relentlessly will need to work on yourself. And always will be!**

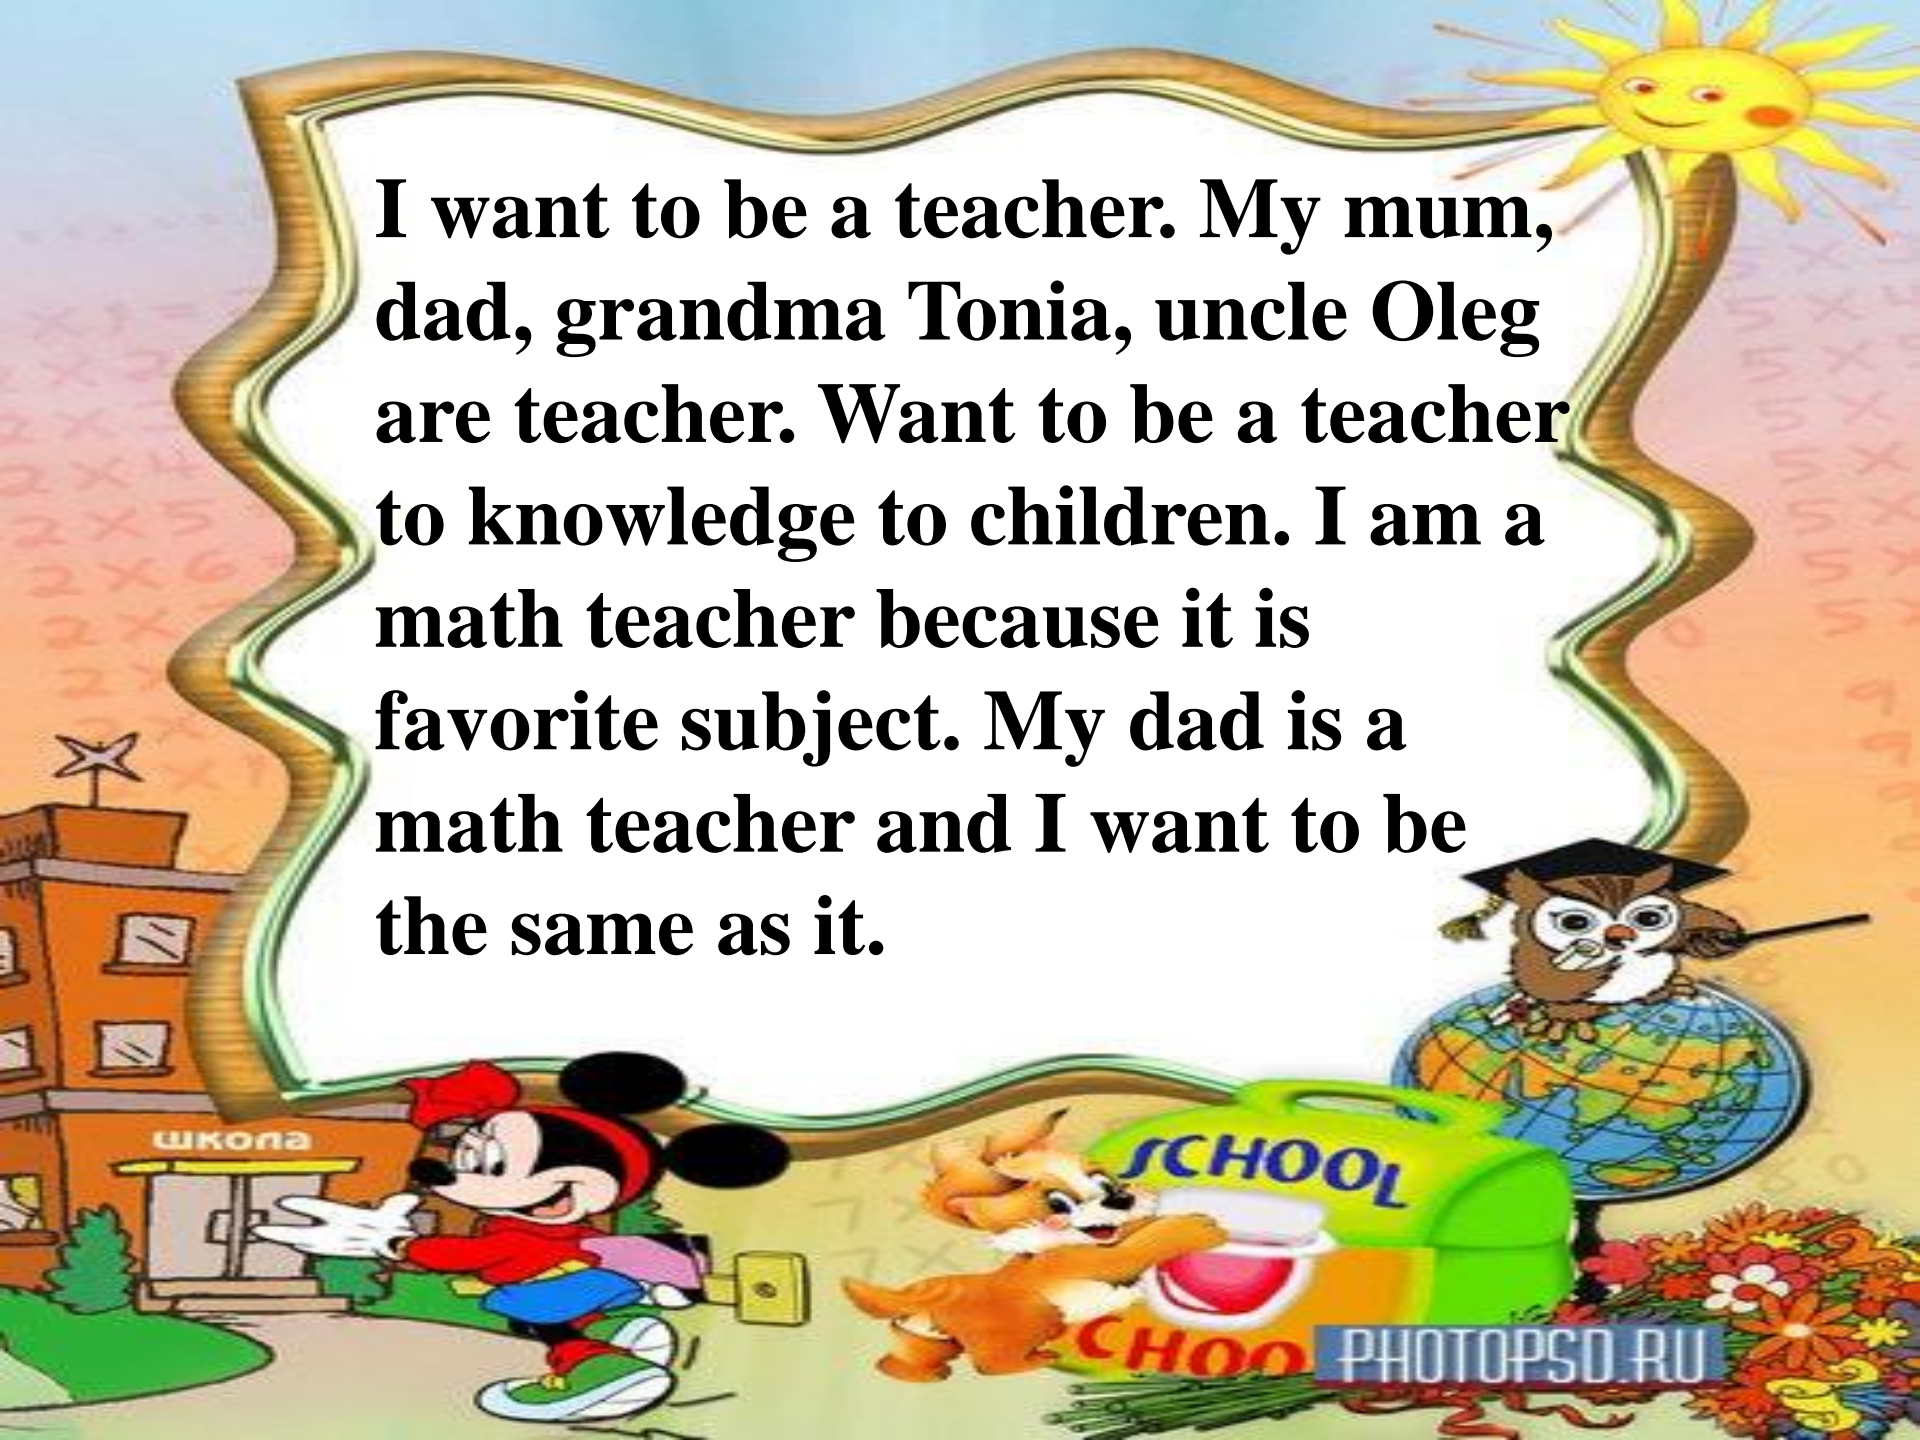

**So as a teacher I become**  
**You have a lot to be able and to know:**  
**The love of children**  
**Ability to organize children's collective**  
**The clarity and persuasiveness of speech**  
**Demands**  
**Justice**  
**Goodwill**

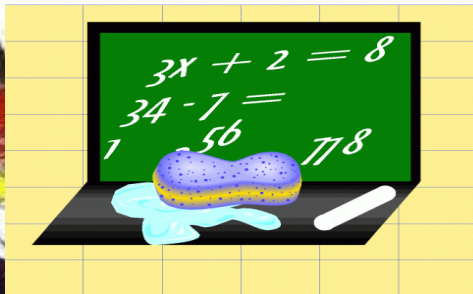

**I want to be a teacher. My mum, dad, grandma Tonia, uncle Oleg are teacher. Want to be a teacher to knowledge to children. I am a math teacher because it is favorite subject. My dad is a math teacher and I want to be the same as it.**

Thank you for your attention!
